Sir,

With reference to your Memo No. A 6.C. 536/33-34 dated 24-1-34 forwarding a copy of G.O. No. L. 5244-6 M.L. 150-33-3 dated 1-1-34 sanctioning an estimate for Rs 14720/- for the Drainage Scheme for Chitaldroog Town with a Government grant of Rs 1000/- for the execution of 2nd and 3rd stages of the Scheme during the current year, I have the honor to state that this subject was placed before the Municipal Council's meeting on 7-2-34 when it was resolved that the 3rd stage of the work may be completed during the year and the cost thereof be met from the closing Balance of the Municipality and the Government may again be approached for a further grant. It was further resolved that the work may be entrusted to the Sanitary Engineering Agency if they were agreable to take up the work at 7½ (seven and a half) per cent as supervision Charges. The work is an important one requiring constant supervisions and the advantage of entrusting it to expert hands like the Sanitary engineering Agency cannot be gainsaid.

The third stage of the work as can be seen from the estimate will come up to Rs 4000/- including 7½ per cent towrds working expenses and contingencies As the work is to be completed before the end of the Official year and before the rains set in, I request that necessary sanction of Government to meet the expenditure of Rs 3000/- from the Closing Balance of the Municipality may kindly be obtained

A copy of my letter to the Sanitary Engineer requesting him to take up this work is also enclosed for your kind perusal The Council's resolution is attached
